1. The Foundry and Mechanical Works (Zakłady Mechaniczne i Hutnicze) at Bialogon (R 51/U 63), in Kielce Voivodship, produces various kinds of cast pipes and iron and steel castings. The plant is to be enlarged in 1953, especially the foundry. [redacted] orders will then be executed for the USSR. 25X1
2. Following the demand of the Central Administration of the Hydro-Engineering Building Works (Centralny Zarząd Budownictwa Wodno-Inżynierskiego), the PKPG (State Economic Planning Commission) has ordered industrial enterprises to make an inventory of the different types of steel girders in their possession. This order mainly concerns types Larsen, Hoesch, and Krupp, new as well as obsolete material. The results of this inquiry are to be sent to the PKPG Department for Balance of Material and Supply.
